## Our aims

- To provide affordable education, resources and support within a Community Development framework.
- To create, initiate, support and promote activities which will encourage community participation at all levels.
- To promote the sharing and learning of skills within the community and contribute towards the development of social, educational, recreational and cultural resources available to the community.
- To empower the community through knowledge, support and advocacy.

## Volunteering at Clota

From time to time Clota needs the assistance of volunteers for various programs, activities and administration.

Should you wish to register as a potential volunteer, please tick the areas you may be able to assist us with as well as special skills you can bring to Clota:

- Programs
- Activities
- Administration
